2 Research papers

FOCUS

Research Writing
AI in Education
Digital Ethics
AI Images & Copyright

EDUCATION & ACADEMIC PROFILE

- B.A. candidate in English, Southwest Jiaotong University, 2025 cohort. Developing an English x Law pathway with an AI research component.
- Freshman GPA: fall 3.6/4.0 (rank 28/56), spring 3.8/4.0 (rank pending). CET-4: 568 (released 2026.02.27); CET-6: 521 (released 2026.08.24); ETIC Intermediate: Good, 223.

SELECTED ENGLISH COURSE PAPERS

- Independently completed Does AI Equalize Learners or Widen the Gap?, a 2,990-word, 11-page paper using literature review, mechanism analysis and counterargument to examine learner agency, skill development and educational equity.
- The Alienation of Love: Guilt, Control, and the Shadow of Filial Piety in Dead Poets Society. A literary analysis of parental control, guilt and emotional alienation.

ONGOING RESEARCH

- AI in education and digital ethics: learner agency, educational equity, data responsibility and governance.
- Generative AI images: examining copyrightability and how human contributions to originality can be identified and assessed.

RELATED PRACTICE & RECOGNITION

- Quest Cup Moot Court: analyzed rules and prepared arguments with the team; the team received a university-level Merit Award and placed 7th among 28 teams.
- English speech Second Prize (84.33); cross-border English livestream Team Second Prize; FLTRP National Talent Cup university-round Silver Award (English Integrated Skills).

NEXT-STAGE PRIORITIES

- Improve GPA and major ranking; prepare for TEM-4; sustain research-oriented English writing.
- Build foundations in civil law, case analysis and legal English, producing substantial English x Law work.
